GO_Biological_Process_2021
gene expression (GO:0010467)
cellular macromolecule biosynthetic process (GO:0034645)
translation (GO:0006412)
peptide biosynthetic process (GO:0043043)
SRP-dependent cotranslational protein targeting to membrane (GO:0006614)
cytoplasmic translation (GO:0002181)
protein targeting to ER (GO:0045047)
cotranslational protein targeting to membrane (GO:0006613)
cellular protein metabolic process (GO:0044267)
nuclear-transcribed mRNA catabolic process (GO:0000956)
